INVESTIGATION OF MEDI-CAL FRAUD-CASH GRANT

The Medi-Cal beneficiary profiles obtainable from Medi-Cal Intermediary Operations, the previous fiscal intermediary, are no longer current and do not provide the total history of claims paid on behalf of a particular beneficiary. Claim detail reports, which are similar to the profiles, will be available in the near future but cannot be ordered directly from the new fiscal intermediary.

In order to determine the methodology to provide you with claim detail reports used in connection with your investigations of Medi-Cal/Cash grant related fraud cases, we ask that you forward estimates, no later than January 30, 1981, of your current and future needs for claim detail reports to:
